

Watertown for All Ages--Transportation Initiative for Seniors

Advisory Committee

Year 2 – 2020

As part of the WAA-TIS project we have created an Advisory Committee made up of representatives of agencies from organizations in the community that work with older adults and residents who are representative of different segments of the older adult population in the town.

** Indicates the member also served on the Advisory Committee for Year 1 (2019) of the project.*

Donlyn Cannella – Associate Director of Community Services, Springwell

Brian Charlson - Community Resident

Mary DeCourcey - Community Health Program Coordinator, Mt. Auburn Hospital
